

# Sealoflex Prima MEK Cleaner

Sealoflex Prima MEK Cleaner is a fast evaporating organic solvent-based liquid solution used as a cleaning agent in conjunction with Sealoflex Prima Waterproof System.

## PRODUCT DATA

<b>Container size</b>	9 kg
<b>Form</b>	Liquid
<b>Coverage rate</b>	Approx. 200 g per m <sup>2</sup>
<b>Colour</b>	Clear

## INTENDED USE

Sealoflex Prima MEK Cleaner is used to remove surface contamination, particularly oily residues from existing substrates or Sealoflex Prima coatings. It can also be used to clean tools and equipment. Sealoflex Prima MEK Cleaner will evaporate very quickly.

**Caution:** Plastic surfaces, e.g. acrylic glass, etc. can be dissolved.

## APPLICATION CONDITIONS

Apply Sealoflex Prima MEK Cleaner by cloth, avoiding puddles of material. Ensure all areas of application are well ventilated. Always secure lid when not in use. After cleaning remove all residual cleaner.

**Caution:** Danger of explosion.

Personal Protective Equipment (PPE) should be worn.

## COVERAGE RATE

Depending upon level of soiling of the substrate, the usage rate is approximately 200 g/m<sup>2</sup>.

## QUALITY ASSURANCE

Sealoflex Prima products are supplied under a Quality Management System approved to EN ISO 9001: 2015 by TÜV NORD CERT GmbH

## DELIVERY AND STORAGE

Sealoflex Prima Cleaner is supplied in tins with product label and hazard warnings. Store the product in a dry and cool environment. Keep off the ground on a flat level surface. Ensure container is kept sealed when not in use.

## DISPOSAL

Liquid EWC 07 02 04

## HEALTH & SAFETY

The safety data sheets, identification on the product, hazard warnings and safety recommendations must be observed during transportation, storage and during application. Do not allow into the sewer system or ground.

## TECHNICAL SERVICES

Specialist advice and design guidance on all matters relating to Sealoflex Prima systems is freely available from our Technical Services Team.

## PRODUCT TESTING

BMI Sealoflex Prima has been independently site and laboratory tested by the British Board of Agrément and awarded BBA certificate number 13/5028.

We are committed to continuously enhancing and improving our product range. We reserve the right to change our product specifications. We reserve the right to correct any typographical or clerical error or omission. For the latest information contact customer service.
