

# Elastoflex Balcony & Walkway

## Surfacing Finish Colour Options

Outdoor living spaces are part of today's modern design, and Icopal's Elastoflex Balcony & Walkway System is offered in a range of 6 standard colours, with a further 26 colour options available on request, complementing any project allowing freedom and expression in the aesthetic consideration.

The standard colour options are as follows:

Please note: RAL colours are used as a guide only.

Additional Colours available (made to order) as follows:
